💡 **Did you know!?** The new Canadian Dental Care Plan (CDCP) can help make dental care more affordable and accessible for you and your family!

✅ If you qualify, the CDCP covers a portion of the cost for a wide range of oral health care services.

✅ Already receiving dental coverage through Social Development? Don't worry - your current benefits won't change! Applying for the CDCP will enhance your dental coverage with access to more services and treatments.

🦷 **Applications are quick and easy!**
